**STI/SPFA 2017 Steel Fabricated Product of the Year Award Winners  
Announced During Annual Meeting**

LAKE ZURICH, IL, April 26, 2018 - Winners were recognized in 14 product categories for the 2017 Steel Fabricated Product of the Year Awards during the STI/SPFA annual meeting in Chandler, Arizona.

[Photos and descriptions, including size of the projects/products and location, of award-winning entries are posted on STI/SPFA's website.](#) There were 64 entries, a record number, from STI/SPFA member companies for the 2017 Product Awards. Winners of the Steel Water Pipe awards were previously announced in a release on February 6, 2018. The entries utilized a total of 33,037 tons of steel. Winners were voted upon by members of the association based on four criteria:

- Promotional value: Promotes the value of steel fabrication
- Uniqueness of product/project: Shows originality and versatility
- Design and engineering: Excels in technical aspects
- Aesthetics: Has visual appeal
